Although you were born to the clan, your dues support the fellowship activities of the clan. Additional contributions help and will be especially needed this year to replenish our coffers after participation at The Gathering 2009 in Edinburgh, Scotland where we held our Annual General Meeting and Gathering of the Clan at this Historic event. The clans had not been called home to Scotland since 1820.

Our President represented our Clan and Chief at the Convention of clan leadership held at Scottish Parliament.
