Although you were born to the clan, your dues support the fellowship activities of the clan. Additional contributions help and will be especially needed this year to support participation at The Gathering 2009 in Edinburgh Scotland. Please join us as we hold our Annual General Meeting and Gathering of the Clan at this historic event. The clans have not been called home to Scotland since 1820. Please contact the president with your comments and concerns re the role of the clans in this new millennium. She will represent us at the Convention of clan leadership on the Friday of this event, held at Holyrood House and needs your input.
